By rule, no YFL football player may also participate and/or be rostered to a school football team during the same fall competition season.

This form must be completed by the parent/guardian, head coach, and participant for all Varsity Players. Please note that, under Texas state law, at any time, anyone, including league administrators, can request a copy of the official team roster(s) for all schools.

Completion of this form indicates that the following individual wishing to participate as a member of YFL and their parents(s)/guardian(s) understand that the YFL rules prohibit participation in school football and YFL youth football simultaneously. Furthermore, any such participation will render the player ineligible for further YFL competition for the current season, and may result in his/her team's forfeiture of all games in which the affected player has been suited up. The parent(s)/guardian(s) acknowledge a fine of \$200 will be due and payable to the YFL in the event that his/her child is declared ineligible due to violation of this YFL dual participation rule.
